

# PharmaCamp

11th-13th September 2024, Bern

**Registrations are open!**

## How does it work?

For **three days**, our hackathon offers ambitious participants the opportunity to:

- Attend **talks** from academic and industry **experts** and network with them afterward!
- Showcase their talent in **problem-solving** and present their work to a panel of top pharmaceutical companies.
- Participate in career development **workshops**.
- **1st** price is **2000 CHF!** but also others prices!

*Join us to innovate, network, and elevate your career!*

## Who can apply?

**PhD** candidates and **postdocs**, recent graduates, **master's** students and last year **bachelor**'s student in the field of:

- Natural sciences
- Pharmaceutical sciences
- Engineering
- Business

**Apply here!**

<https://www.pharmacamp.ch>

Applications open until the 1st of August!

We will select **25 high talented participants** based on their CVs and provide the **accommodation** in Bern.

*A big thank you to our sponsors that make this event possible !*
